## SUMMIT

### 2024 Photonics Spectra Summit Presenter Information

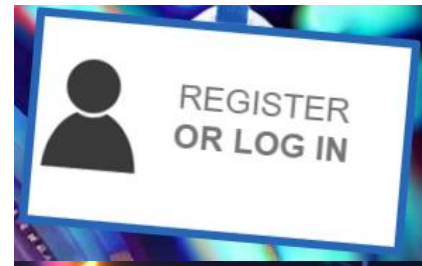

**Summit Date:** September 18, 2024

**Summit website:** <https://events.photonics.com/Event.aspx?EID=24&OC=OM>

To attend your live presentation and field questions and comments from attendees, please follow the steps below.

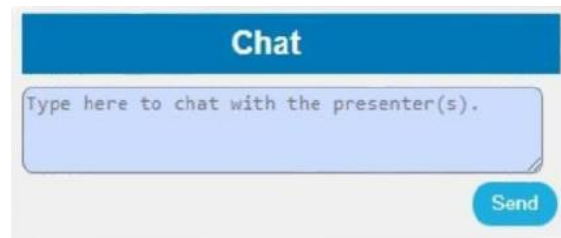

**1. Create an account**

Use the event badge in the top right corner of the website to create an account to attend your presentation. Once registered, let us know and we will grant you moderation privileges for your presentation so you can answer questions during and after the event.

**2. Use the chat feature**

During or after your premiere, navigate to your presentation page. Attendees can ask questions or make comments via the chat box on the page. To reply, click on the **Reply** button, type your response, and click **Send**.

**Public** or **Private** responses: Toggle the visibility status of a question and its responses by clicking the eye button. All questions and comments are automatically private. You may also delete a question or reply by clicking the X next to the question.

**Email Notifications:** Summit attendance is **optional** for you. If you are registered, you will receive automatic email notifications when attendees interact on your page. You can reply at any time or afterward.

## SCIENTIFIC LASERS SUMMIT

### Help

You will be joined by our support team for your live Q&A. If you have any questions about the Q&A process, please contact [Jacob.Mendel@Photonics.com](mailto:Jacob.Mendel@Photonics.com). After the summit, you will receive a report of questions and comments from the audience and relevant contact details for follow-up.

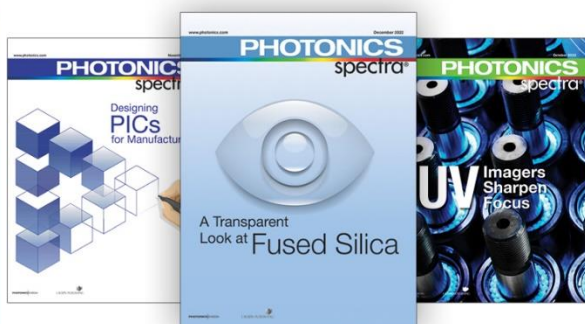

### Lost Password

If you forget your password and log-in information, click on the [Lost Password](#) link on the registration page to receive an email to reset your password.

### Video Use Information

The content of your recording belongs to you, but the recording itself for this event is owned by Laurin Publishing Company, Inc. We encourage you to share the link to your recording publicly via the summit website, as it will remain available there for a limited time after the summit. If you would like to distribute the video internally or publicly, please let our team know.

**Thank you for presenting at a [Photonics Spectra Summit!](#)**

Since 1967, *Photonics Spectra magazine* has defined the science and industry of photonics, providing both technical and practical information for every aspect of the global industry and promoting an international dialogue among the engineers, scientists and end users who develop, commercialize and buy photonics products. Stay current with a **FREE** subscription to the digital or print edition.
